2015 HAITI CHRISTMAS OFFERING

Dear ministry partnering friend and church,

As Christmas approaches, I would like to humbly and prayerfully ask you to remember the underprivileged children of Haiti in your end of the year plans. As we are getting closer to the new year do not fail to remember the many blessings of God upon you and your family, while also remembering that not everyone is so blessed.

This year again we want to buy dolls, cars and other toys to give to the needy children of Haiti, and give a small bonus to our pastors and other ministries workers that otherwise may not receive anything for Christmas. It does not take much to brighten the day of a needy child or ministry worker in Haiti for Christmas.

Whether you are giving for the first time or have been a part of our past Christmas donations; whether you are participating as a church body or individually, please help brighten someone's Christmas in Haiti.

Thank you in advance for being a part of our 2015 Christmas Offering. After the holidays we will send you a special thank you letter along with pictures of our toy distribution. Although Marie and I are on furlough, I will make a special trip to Haiti for the toy distribution. **To give me time to purchase the toys in Haiti, please make sure we receive your donation by December 21. Here are 2 ways to give:**
